Fall 2006

Dear Resident,

The year is quickly coming to a close and we at the Cherry Lake Homeowners Association are busy working on your behalf. This year has been a turbulent one for our neighborhood; we have had several cases of criminal activity and vandalism. Let's all make a pledge, here and now, that in 2007 we will come together and really turn things around for our own safety and the value of our property as well as for our community.

There are just a few things that need to be brought to your attention before the close of the year. First, our annual Cherry Lake Homeowners Association meeting will be on December 2, 2006 at 2:30 pm in the community room of the Warren Library. All residents are encouraged to come as this is the perfect opportunity to meet your neighbors, voice your concerns and find out how you can help. We are in desperate need for volunteers to help in several areas, including Crime Watch. We would like to thank Anita Jones for all the hard work she has done while in charge of the Crime Watch. Please fill out and return the enclosed proxy cards as soon as possible (regardless to whether you can attend the meeting) – these are necessary for us to ensure a quorum.

Secondly, with the Holidays quickly approaching, we at the board would like to start a new tradition. Every year we choose a handful of houses because of their decorations and those homeowners win a prize. This year, we would like it to be a community vote. From December 11 - 18, 2006 simply log on to [www.cherrylake.org](http://www.cherrylake.org) and you will be able to vote for your favorite finalist in the Holiday display contest. Winners will be notified by the board. Also, we sadly are losing a tradition this year, we will not be having our annual Holiday caroling and party – The board would like to thank Jan Bailey for all the hard work she has done organizing this over the past years. If anyone is interested in reviving this tradition, please contact the homeowners association.

In closing, we wish you and yours a very safe and happy holiday season. Let's look forward to 2007 with a sense of pride in our neighborhood and a desire to make it better.

The Cherry Lake Homeowners Association
